Expected Family Contribution: 6889

Based on the information we have on record for you, your Expected Family Contribution (EFC) is 6889. You are not eligible for a Federal Pell Grant, but you may be eligible for other aid. Your school will use your EFC to determine your financial aid eligibility for other federal grants, loans, and work-study funds, and possible funding from your state and school.

You reported that you will either have a bachelor's degree by July 1, 2021 (Item 28) or will be working on a degree beyond a bachelor's degree (Item 47). Graduate students are eligible for most types of federal aid, but generally not the Federal Pell Grant.

Financial Aid History

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals on your Aid Summary. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on your Aid Summary. You can obtain general information about each of the types of loans that are listed below by visiting StudentAid.gov.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember, you are responsible for repaying all of the amounts that you borrow plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.
