

Loan Report

This report includes all of the loans MOHELA currently services for which you are a borrower, cosigner or co-borrower. If you have loans from different lenders that are serviced by MOHELA, the loans are listed on separate pages by lender.

In addition to loan details, this report includes information about benefits provided by your lender for which you may qualify.

Repayment Plan Change

You do not have any pending repayment plan forms.

Loan Forgiveness

You do not have any pending forgiveness forms.

Financial activity is subject to change (i.e. returned payments, financial adjustments, school enrollment updates and refunds of payments).

Federal Direct Loans (DL) offer a variety of repayment options:

Repayment Plans - A variety of repayment plans are available to meet your needs, including plans based on your income and family size.

Deferment & Forbearance - Once in repayment, there may be times when you are unable to make your monthly payment. You may be eligible to postpone your payments.

Loan Forgiveness & Discharge - In certain situations, you may qualify to have your student loan forgiven or discharged, meaning that you will no longer be required to repay some or all of your loan.

Visit mohela.com for more information and eligibility requirements.
